Office of House Bill Analysis

C.S.H.J.R. 74

By: Gray

State Affairs

5/10/1999

Committee Report (Substituted)

### **BACKGROUND AND PURPOSE**

Under proposed H.B. 2641, the commissioner of health and human services (commissioner) is given increased power over the operations of the health and human services agencies. This constitutional amendment is intended as a companion to H.B. 2641. C.S.H.J.R. 74 requires the submission to the voters of a constitutional amendment allowing the commissioner to serve a term of four years concurrently with the governor, who has the responsibility of appointing the commissioner.

### **RULEMAKING AUTHORITY**

It is the opinion of the Office of House Bill Analysis that this bill does not expressly delegate any additional rulemaking authority to a state officer, department, agency, or institution.

### **SECTION BY SECTION ANALYSIS**

SECTION 1. Amends Section 30, Article XVI, Texas Constitution, by adding Subsection (e), to provide that if the legislature establishes an office, known as the office of the commissioner of health and human services (commissioner) or known by any other title, that is filled by appointment by the governor and that is the single governing office of the state agency responsible for coordinating the planning and delivery of health and human services by the state health and human services agencies, the person holding that office has a term of four years running concurrently with the term of the governor. Provides that the term of that officer expires on the date on which the governor who appointed that officer ceases to hold office as governor.

SECTION 2. Adds the following temporary provision to the Texas Constitution:

TEMPORARY PROVISION. Provides that this temporary provision applies to the constitutional amendment proposed by the 76th Legislature, Regular Session, 1999, that provides a four-year term for the commissioner and that provides that the term run concurrently with the term of the governor. Provides that the term of the commissioner on the effective date of this constitutional amendment, expires as provided by that constitutional amendment. Provides that this temporary provision expires February 1, 2003.

SECTION 3. Requires this proposed constitutional amendment to be submitted to the voters at an election to be held November 2, 1999. Sets forth the required language for the ballot.

### **COMPARISON OF ORIGINAL TO SUBSTITUTE**

The substitute modifies the original bill in the caption by replacing "the head of the state agency that has responsibility for coordinating health and human services" with "the commissioner of health and human services."

The substitute modifies the original bill in SECTIONS 1, 2, and 3 by replacing references to "the head of the state agency that has responsibility for coordinating health and human services," with references to "the commissioner of health and human services."

The substitute modifies the original bill in proposed Section 30(e), Article XVI, Texas Constitution, by providing for the establishment of an office known as the office of the commissioner of health and

human services (or known by any other title), rather than the establishment of a state agency responsible for coordinating the planning and delivery of health and human services by the state health and human services agencies, and by providing that the term of the commissioner expires on the date on which the governor who appointed that officer ceases to hold office as governor.

The substitute modifies the original bill in SECTION 2 (proposed Subsection (b) of the Temporary Provision) by providing that the term of the commissioner expires as provided by the constitutional amendment, rather than expires at the time in 2003 prescribed by law for the expiration of the governor's term.
